This, our 12th Annual Convention, gives old-time radio fans another opportunity to meet fellow enthusiasts from around the U.S. and Canada. But most of all, the Convention honors those actors, actresses, and technicians who made the age of radio truly golden.

The cooperation of fans and radio personalities has resulted in exciting and interesting events through the years, including the reuniting of actual radio casts in live re-creations of Let's Pretend, The Shadow, Johnny Dollar, Mr. District Attorney, Counterspy, The Lone Ranger, The Aldrich Family, The Great Gildersleeve and many other fine shows. Unlike many other nostalgia conventions, guests and fans mingle continually, letting radio live again for these two days every year.

### REMINISCING

Old-time radio buffs have been honoring the radio stars of yesteryear annually since 1971--our 1st old-time radio convention. The popularity of the conventions has grown steadily over the past 17 years. The first convention hosted 4 guests--this year we are honoring over 50 actors, actresses, writers, producers, directors and technicians who made the age of radio a truly golden era. What better way to pay tribute to all our guests than to meet them in person at this, our 12th Annual Convention of THE FRIENDS OF OLD-TIME RADIO, and express the enjoyment their performances brought and still bring to us. Our lives have been greatly enriched by the talents of those we honor today.

The Friends of Old-time Radio is a group of fans and collectors who meet once a year for this non-profit Convention. All monies collected are used for hotel and Convention costs.

## NETWORK SHOWS

ANOTHER LOG REVISION is finished. In 1971 I wrote a log on Network radio shows showing details such as dates on the air, sponsors, network, day of broadcast, time of broadcast. Its final supplement was written in 1973. It is now completely revised and is my most ambitious work to date. About 1600 shows are listed. It is set up differently and contains all the major and many of the minor network shows (where information can be found). It concentrates from 1930 to the present. Omitted for the most part are syndicated shows, news and religious broadcasts.

Each show (arranged alphabetically) contains a chronological history of changes in sponsors, network, days, etc. Many shows of short duration are included for the first time anywhere. Exact broadcast dates are put in many instances. Many hours were spent searching through various New York Times to get this information. It is much easier to read than the original one. This log shows the details of the shows while my log on Circulating shows indicates the availability of all shows, network and syndicated. It costs \$18 (85 pages) mailed 4th class; \$19.50 if mailed 1st class. It is ready now. A sample of part of page 1 follows. Everything will be explained in detail.

A & P Gypsies (3/3/24-36) A & P, NBC, Mon, 9pm  
Abbott and Costello (10/8/42-49) 1942-47, Camel, NBC, Thu, 10pm

LOGS AND LISTINGS FOR COLLECTORS OF OLD-TIME RADIO PROGRAMS

CIRCULATING SHOWS: A 44-page computerized listing of all available complete network and syndicated shows. Each item lists title, year(s) on the air (often exact dates) and the number of shows available for trade. If there are a few shows available, exact dates or titles are often shown. List of sources is included. Complete or partial runs are indicated. Cost is \$17.50. 24-page supplement containing much more additional information also available. Cost of this is \$8.00. Both together are \$23.00.

NEW SUSPENSE LOG: My original SUSPENSE Log was written in 1971. I have finally computerized it with many revisions and additions. It lists date, title, and up to two performers when known. The cost, with an introductory part listing directors, producers, musicians, sponsors and other important information is \$8.00. This includes a chronological list and an alphabetical list.

HELLO AGAIN: Now in its 18th year, HA is the oldest independent newsletter dedicated to the traders and collectors of old-time radio shows. Much of the information it contains is contributed by collectors including: problems and techniques in dubbing, tape quality, what different collectors are doing and what they are looking for, updated info about new radio shows being circulated, information about publications, activities, clubs, catalogs and logs related to old-time radio, deaths of radio personalities, and much else. It also keeps you up to date on the annual Friends of Old-time Radio Convention. The next convention is Oct 23-24, Holiday Inn-North, Newark, NJ.

The first issue received includes listing of all OTR clubs, publications, many dealers, all logs available and many radio stations playing OTR. It is printed and runs about 4-8 pages an issue.

Subscription is \$10.00 a year for 6 issues per year. Send a SASE for a complimentary copy. Back issues are \$1.00 each.
